

Position: Full time - Intermediate/ Midweight interior designer

Full time, Permanent

MoreySmith is looking for a talented and enthusiastic Midweight Designer to join its team. MoreySmith work on a range of workplace, commercial development, hospitality and high-end residential projects and successful applicants will have the opportunity to work a team working on high-profile projects from concept through to completion. The successful candidate must have good all round skills and experience on such projects.

Skills to include:

- We are looking for an interior designer with a creative and skilled technical background.
- A designer who is hands on with exceptionally high attention to detail and has experience working on mid-large workplace, commercial projects (residential experience advantageous)
- The ideal designer will have proven experience specifying interior & FF&E packages, producing and coordinating interior design and construction documents.
- A designer who is comfortable working across all RIBA stages
- A confident approach and capable of juggling multiple projects at once to various deadlines and supporting graduates and junior designers.
- A designer who is dynamic, thrives on challenges and has amazing design and creative skills. The successful candidate will work closely with the senior team who will provide mentorship and development opportunities.
- Good experience dealing with clients and able to hold their own with suppliers and project teams
- A clear passion for design
- Strong presentation skills, verbal and written
- Proactive nature and positive energy, able to deal with adversities and challenges

Digital Skills

- AutoCAD
- Adobe Suite (Photoshop & InDesign)
- Modelling sketchup software would be preferable

Additional notes:

At interview the candidate should bring projects that best demonstrate their abilities as well as sketchbooks and any digital media that supports their application. The interviewer will be looking for strong presentation skills, design articulation and creative and innovative design solutions. This post is not suitable for visa sponsorship therefore all candidates must have a valid right to work. Excellent communication skills in both spoken and written English.

About MoreySmith

MoreySmith is a leading design and architecture practice with RIBA Chartered Practice accreditation. Our team of 30 people is the perfect balance of experienced and creative designers and architects, supported by the best graduate talent. We are a leading, award winning European design and architectural practice with over 29 years of experience and success. The energy and vigour in the studio based in London, combined with our forever 'rolled up sleeves' attitude drives us to challenge perceptions and constantly drive innovative solutions for clients, sustainable products and contribute holistically to our industry.

The collective passion for the company and what we do was strengthened in September 2018, on the 25th anniversary of the business, as we moved to ownership by an Employee Ownership Trust (EOT), which has all employees as its beneficiaries. This seemed a very natural evolution of the business, reinforcing our people-orientated ethos and giving our entire team a collective voice, shaping the business for the future.
